**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance.  
During a telephone conversation conducted on 8/30/07, Bill Westerman requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 50-2866 the required fee of \$450.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Cancel claims 4, 6, 8, 10, and 12.

***Allowable Subject Matter***

3. Claims 1, 3, 5, 7, 9, and 11 are allowed.

***Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art reference to Shintani (6721018) teaches a single CPU handling both a digital and analog tuner, and wherein both tuners can concurrently scan available frequencies. The prior art reference to Shoda (Patent No:

Art Unit: 2623

JP411032267A; Application No: JP09185541) teaches a first CPU in charge of a first tuner and a second CPU in charge of a second tuner. The prior art of record fails to teach or fairly suggest wherein channel searches by the first CPU and the second CPU are concurrently conducted, and when the existent station channel search is started, the first CPU instructs the second CPU to start the existent station channel search and performs the existent station channel search processing on the side of the digital tuner, and the second CPU performs the existent station channel search processing on the side of the analog tuner upon receipt of the instruction to start the search from the first CPU.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
